

WE NEED EACH OTHER

Ephesians 4:1-3 The church today is structured by God to be depended on each other. We are a family and must learn to function as a family.

Ephesians 2:13-18 We are one body, the body of Christ. He is the head.

Ephesians 2:19 We are all members of God's household.

Ephesians 2:22 Together we are the temple of God, His habitation.

Ephesians 4:4-13 We are all in the process of maturing. We all had or have road blocks that stall maturity. Traumatic wounds block growth. Sin always blocks maturity. Misdirection also is a block.

Ephesians 4: 14-16 We must allow God to do His part and we must do our part. God provides redemption, salvation deliverance, healing. Our job is maturity!

People grow in their faith through relationships.

Hurt people heal in relationships.

Unbelievers commit to the Lord through relationships.

Galatians 6:1-10 We can not overcome life's obstacles alone.

Galatians 5:19-21 The sins against others cause isolation. The devil knows that a safe loving place is necessary for maturity to take place so he strives to cause division and isolation.
